Re: End-of-Course Assessments – Extension for Administration 3 CTC Registration for Paper-and-Pencil & IDOE Data Collection Reminder

The deadline for the A3 Spring 2008 paper-and-pencil CTC registration process in which CTCs enter the number of students testing per content area for each school in your corporation has been **extended through the end of day March 4, 2008.** Any corporation, who does not complete this process by the end of day March 4, will be <u>required</u> to administer the Core 40 ECAs <u>online</u>.

As a reminder, the A3 Spring 2008 IDOE Data Collection process for both online and paper-and-pencil will be from March 3 – 21, 2008. Please coordinate the upload of student information to the STN Application Center during this time. IDOE Data Collection does not replace the CTC Registration process described above.
